Choose your yacht

There are three classes of yachts to choose from

1) Large (52 foot) ocean going yacht 6 - 12 guests.

Our luxurious 52 foot yacht has competed in numerous ocean crossings. Our skipper for this yacht has vast experience and has successfully skippered in numerous ocean races. The yacht is very spacious with excellent cabin facilities and a lounge area below deck.

All necessary sailing clothing, basic refreshments, photos on CD, caps to keep, luxury lunch and wine for full day trips are provided.

2) Medium (40 foot) ocean going yachts 2 - 5 guests.

These are racing class yachts, yet sport some of the same features as cruising yachts including cabins. Many of these yachts have completed ocean crossings (including the Cape-to-Rio race). Our flagship 40 foot yacht and skipper won the 2006 South Atlantic Race (formerly Cape-to-Rio).

All necessary sailing clothing, basic refreshments, photos on CD, caps to keep, luxury lunch and wine for full day trips are provided.

3) A high performance 30 foot sports yacht 2 - 5 guests.

Our Jaz 30 foot is widely regarded to be one of the fastest monohull yachts in Southern Africa and is regularly featured in various trade magazines. This yacht does not have a cabin and is essentially for thrill seekers as the ride can be quite wet. All necessary wet weather gear is provided if need be.

All necessary sailing clothing, basic refreshments, photos on CD, caps to keep, and lunch on board the yacht on full day trips are provided.
